#	Item	Score
1	I have felt down, sad, or hopeless.	
2	I have had little interest or pleasure in things I usually enjoy.	
3	I have felt nervous, anxious, or on edge.	
4	I have found it hard to stop or control worrying.	
5	I have felt irritable, frustrated, or easily upset.	
6	I have had trouble falling asleep, staying asleep, or sleeping too much.	

7	I have felt tired or had little energy.	
8	I have had trouble concentrating or making decisions.	
9	I have felt overwhelmed by stress or responsibilities.	
10	I have felt lonely or disconnected from others.	
11	I have avoided people, places, or activities because of how I felt.	
12	I have had physical tension, headaches, stomach discomfort, or other stress-related symptoms.	

13	I have used alcohol, cannabis, or other substances to cope with my feelings.	
14	Overall, how much have these experiences interfered with work, school, relationships, or daily life? (0 = Not at all to 10 = Extremely)
